Career Summary

TATIANA PENTES PORTFOLIO: <http://strangeblackbox.net/>

ONLINE PORTFOLIO: <https://tatianapentez.myportfolio.com/>

LINKEDIN: <https://au.linkedin.com/in/tatianapentes>

Tatiana Pentez is an award-winning digital and creative communications specialist and digital media manager, with more than a decade experience. Tatiana's creative research is at the intersection of media, journalism, technology, ethics, regulation, and business. Tatiana has worked commercially with industry, academia, government, and other agencies, to contribute to an understanding of media transition and digital disruption. She started her career as a reporter/presenter on *Off The Dish*, a daily youth television program broadcast on Network 10 (Australia) and contributed to the writing of scripts and planning of program content from a youth perspective. In the early 1990s she was Production Coordinator on *The Listening Room*, acoustic arts program, broadcast ABC Radio National and ABC Classic FM. In 2000 her interactive documentary *Strange Cities* <http://www.strangecities.net/> won a number of awards as a pioneering work. Earlier in her career Tatiana was features writer for *OBJECT Magazine*. Her digital documentary *Strange Cities* is exhibited in 2024, *Play It Again - Archiving Australian Media Arts*, Australian Centre for the Moving Image (ACMI).

Career highlights include 2023 Prof Andrew Jakubowicz (Author), Tatiana Pentez (Design), Multicultural Arc: Making Multicultural Australia – Past Present and Future, book, ISSUU & online documentary, Sydney Multicultural Community Services, Australia <https://www.sydneymcs.org.au/multicultural-arc-booklaunch> the University of Technology, Sydney (UTS), 2023 Luminous Bodies art exhibition, Luna Studios Gallery, Sydney, 2022 Highly Commended, Burwood Art Prize Exhibition, Digital Media, Burwood Library & Community Hub, 2018 Marketing Team Award, Reimagination Thought Leaders' Summit, and Digital Disruptors Awards, Australian Computer Society (ACS), 2015 W3 Silver Award for Best Integrated Media Campaign (Podravka, Vegeta), 2000/2005 AMY & ATOM Awards, and 2008-2020 Juror AMY Awards, Digital & Technology Collective. Tatiana has project managed multi-channel digital campaigns involving tansmedia research, corporate websites, implementing social media strategies, online community building and the delivery of digital film in a social/web environment. Tatiana has produced books, manuscripts, and digital screen publications over the past decade. She has a higher research degree **2006 Doctor of Creative Arts in Communications** (Digital Media) Recommendation 1, University of Technology, Sydney (Recommendation 1).

TESTIMONIALS

Tatiana is an award-winning digital media practitioner and teacher who's thoughtful work and diverse interests traverse both commercial and artistic spheres.

Paul McCarthy, Chair of Awards Judging, Australian Interactive Media Industry Awards (AIMIA)

"Tatiana has supported significant digital developments in the Musica Viva marketing program over the last two years, including the introduction of video talks, social media presence and a more analytical approach to digital projects. In Tatiana's time with Musica Viva, we successfully rebuilt the Musica Viva website and increased site visits by 30% in the first 3 months and time on site by a minute. Tatiana is committed and determined and will work solidly to finish projects. She is well-liked by the team, is collaborative in her approach to work, and brings a good energy to her working environment. **Mary Jo Capps CEO Musica Viva Australia**

"Big congratulations to everyone for the on-line presentation of ICS 2012. Nicely laid out pleasing to the eye intelligent architecture that is consistent, easy to understand and straightforward to navigate. Bravi tutti!" **Carl Vine Artistic Director Musica Viva Australia**

Tatiana implemented key digital developments in the Nutrimerics AU & NZ marketing strategy over the past nine months, working in collaboration with Creative Services to create a revitalised brand presence through social media, the re-launch of the new website, & development of a digital media APP prototype. In Tatiana's time we completed the redevelopment of the Nutrimerics website to timelines and increased Facebook friends by 20% in the first 2 months of Tatiana's initiatives. Tatiana met the deadlines efficiently and work well in a collaborative team environment.

Lee Worsley, Creative Director Nutrimerics (Tupperware Brands Corporation)
